Sir.

Re the expenditure of Rs 350/- in connection with the laying
of the foundation stone of the Municipal High School building
at Belur

I ~~have~~ *have the honor* to state that the Minor Municipal Council of Belur passed a resolution at their meeting held on 1-9-1948 to have the foundation stone of the Municipal High School building laid by the Honourable Minister for Education and to incur an expenditure of Rs 400/- in this connection. This function was arranged on 11-11-1948 during the visit of the Education Minister to this District and it is stated that an expenditure of Rs 350/- was incurred towards the construction of Pandal, cost of the tablet etc. A statement showing the details of expenditure is also enclosed for favour of perusal. It is also stated that the pandal materials were disposed of in auction and a sum of Rs 40-4-0 was realised in the sale. This expenditure has been met by reappropriation out of the savings from the provision of Rs 1400/- made under E2c Women's Hospital in the sanctioned budget for the current year. The Municipal Council have approved the expenditure in their resolution dated 22-12-1948 deducting the realisation of Rs 40-4-0 from the sale of pandal materials.

In their resolution dated 1-9-1948 the Municipal Council have proposed to spend Rs 200/- from Municipal Funds and Rs 100/- from the High School Fund. It is stated that a sum of Rs 16,654-3-0 is available towards the building fund of the Municipal High School in the S B account in the name of the Municipal President. Rs 100/- is proposed to be paid out of this High School fund. It is reported that expenditure of Rs 250/- has already been incurred out of the savings under "Contribution to Women's Hospital". The opening of a Women's Hospital at the place has not yet been sanctioned and it is under correspondence.

I request that sanction of Government may kindly be obtained to the expenditure of Rs 350/- as proposed by the Municipal Council. Copies of resolutions are enclosed with reappropriation statement.

Yours Faithfully,

L. M. M. M.
Deputy Commissioner,
Hassan District

the expenditure of Rs 350/- incurred by Belur Municipality in connection with the laying of the foundation stone of the Municipal High School Building

With reference to your letter No L 10198 dated 15-3-1949 observing that the net-total expenditure incurred for the above function by the municipality is Rs 709-12-0 and enquiring as to what sanction is sought for an expenditure of Rs 350/-, I have the honour to state that a sum of Rs 40-4-0 has been realised by the sale of surplus materials as already stated in my previous letter. The expenditure incurred for the function is Rs 350/- as per details mentioned in the list and the realisation of Rs 40-4-0 is only subsequent to the expenditure actually incurred and it will be credited to the Municipal funds in the usual course. Therefore the subsequent sale realisation cannot be given a set off against the expenditure and the actual expenditure and the actual of Rs 350/- which was debited in the first instance to the Municipal fund and the High School fund requires sanction of Government.
